

# Metalogalva

engineering and protecting steel

---

***STEEL IS OUR PASSION***

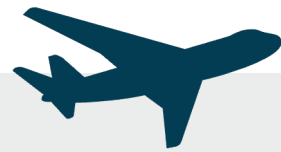

# SCOPE

DESIGN AND MANUFACTURE OF STEEL STRUCTURES  
HOT DIP GALVANIZATION/ POWDER COATING/ LIQUID PAINTING

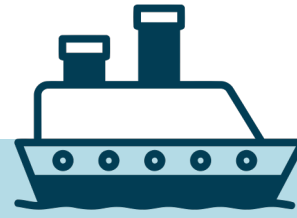

---

# LOCATION

19 km distance to Oporto  
Airport

25 min traveling time

26 km distance to Port of  
Leixões

30 min traveling time

34 km distance to Porto  
City

35 min traveling time

40 075 km

5 sec to establish a call

# LOCATION

**19 km**  
**Oporto Airport**

**26 km**  
**Leixões Harbour**

# COMPANY

19 industrial units  
(9 in Portugal)

+ 1500 employes  
(630 in Portugal)  
57 Engineers

Certified Company  
10 Certifications

World Wide Sales  
95 Countries

# ENVIRONMENT, HEALTH & SAFETY

## KEY VALUES AND PILLARS OF SUSTAINABILITY

- ▶ Health and safety of employees, customers and the community in general
- ▶ Ecological protection
- ▶ Manage the impact of activities, products and services
- ▶ Adopt advanced technologies to optimize the consumption of natural resources

# PRODUCTS

## TELECOM

- ▶ Lattice Angular Tower
- ▶ Lattice Tubular Tower
- ▶ Tubular Masts
- ▶ Camouflaged Towers

## LIGHTING

- ▶ Public Lighting
- ▶ Lighting in height
- ▶ Decorative

## ENERGY

- ▶ Lattice Steel Tower
- ▶ Steel Poles
- ▶ Substations
- ▶ Steel Structures
- ▶ Tubular Masts

## RENEWABLES

- ▶ Components for tracker systems
- ▶ Components for fixed-tilt systems

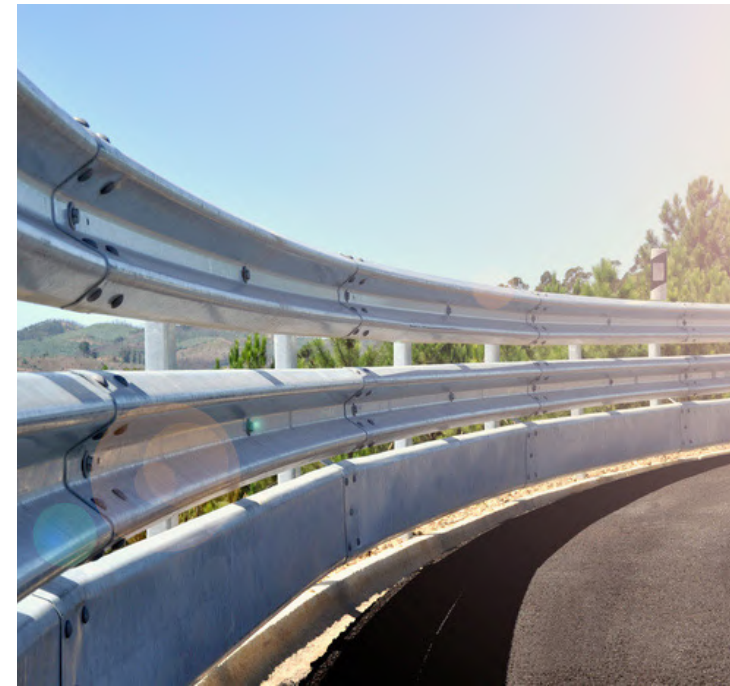

# PRODUCTS

## RAILWAYS

- ▶ Gantries
- ▶ Mid-hinged Columns

## ROADWAYS

- ▶ Guardrails
- ▶ Structure Protection

## STEEL TUBES

- ▶ Steel Tubes
- ▶ Steel Profiles
