

THE SOLUTION
TO PROTECT
AND PRESERVE
YOUR CITY POLES

COATECTION
COATING AND PROTECTION SYSTEM

PROTECT YOUR POLES

AESTHETIC . QUALITY . COST EFFECTIVENESS .
ENVIRONMENTAL PROTECTION

COMBINED SURFACE TREATMENT ANTI-GRAFFITI / ANTI-STICKER

COATECTION

ANTI-GRAFFITI PROTECTION

is an additional transparent coat used to protect poles against graffiti paints. It allows an easy removal by using a simple cleaning system.

ANTI-STICKER PROTECTION

is an additional transparent and slightly textured coat used against paper sticking.

Both protections do not affect the aesthetic appearance of the pole.

COATECTION
